PROFESSIONAL SUMMARY

Motivated BCA graduate with hands-on experience in web development (PHP/MySQL) and mobile app development (Flutter). Proven ability to design, build, and maintain a live production website supporting students, faculty, and administrative workflows. Solid foundation in Java, Python, and object-oriented programming, with strong problem-solving skills and a fast learning curve. Seeking an entry-level Software Developer role to contribute technical skills to a growing engineering team.

TECHNICAL SKILLS

Languages: Java, Python, C/C++

Web Development: PHP, MySQL, HTML/CSS, Web Development Fundamentals

Mobile Development: Flutter, Dart

Tools & Platforms: MS Office, Git/GitHub

Core Competencies: Problem Solving, Adaptability, Quick Learning

PROJECT EXPERIENCE

GASCKK Official College Website — Web Developer *2023 – Present*

Live: gasckk.org.in

- Designed and maintain a responsive public college website serving students, faculty, and visitors.
- Built a PHP-MySQL backend managing departmental activities, admission rank lists, exam updates, and committee information.
- Streamlined real-time publishing of academic events, seminars, and resources, optimizing load times and SEO during peak admission periods.

Food Ordering Windows Application — Final Year Project *2026*

Tech Stack: Flutter, PHP, MySQL

- Developing a cross-platform food ordering application with a Flutter front end and a PHP-MySQL backend for menu, cart, and order management.

CERTIFICATIONS & TRAINING

- **Java Full Stack Development** — *In Progress* (2026)
